ABOUT US

Since founding Fhin Conversions in 2019, Ivor and Frankie started building their own Campervans and Motorhomes to supply the leading industry market.

Striving to create and deliver a high quality service. Using high quality products so you can be confident to put your trust in us with the custom build of your campervan.

The company has grown in size and reputation in the last few years resulting in a excellent customer base and referrals.

As a company we specialise in sourcing the perfect vehicle in your chosen spec, creating the interior to your design.

We love hearing about your adventures after we handover your vehicle.

Please follow us on Facebook, Instagram, Tiktok and tag us @FHIN_Conversions, So we can see your travel dreams.
